Dear Ann and members of Christ Church,

I just wanted to write on behalf of the families at Northfold C.P. School to say a huge thank-you for all the food parcels which we have received from yourselves and distributed to our families this year. As you are no doubt aware, lots of families during this current pandemic have lost their jobs and have been struggling. We have tried to help them as much as we can as a school and for us to have been able to give them your food parcels has been a huge help to them. It is sad to think that children these days might be going without the food they need to thrive and live a healthy and happy life, however during this current time this has sadly become all too common.

Please say thank-you to all the people involved and make them realise just how grateful our families have been to receive their help. It is great to see how many people give up their own valuable time to help others.

Sending everyone our very best wishes,

Alison Wilson (Mrs.)
Headteacher

"Where children come first"
